

Policy on Insurance

It is the intention of this office to provide you with a program to achieve and maintain optimal health through acupuncture and associated therapies.

Unfortunately, at this time, most insurance companies do not reimburse for acupuncture and associated therapies that are offered and necessary for true preventative care throughout ones life.

Medicare/Medicaid or other third party insurance billings are not accepted.

Our office does not participate in any insurance billings or reimbursement. We are not responsible to your insurance company and we do not provide codes or any information that insurance company may request for reimbursement.

Policy on Cancellations

Failure to cancel your appointment will result in **FULL PAYMENT** for your scheduled appointment, **unless 24 hour notice is given, Please.**
